

What I could do to help at St Peters Titchfield?

There are a number of roles at St Peters where we would like to draw in new people to help, please can you consider how you could help out or do you know someone who might that you could approach. We will provide training and mentoring for all of the roles.

When you have considered your response please give to either of the Churchwardens, email the office@stpetertitchfield.org.uk or leave in the Church Office post box

On Behalf of the PCC and the Churchwardens thank you.

Steven and Peter

St Peters are looking for some more volunteers to join the team of sidespeople who help with the welcome and worship on Sundays. We need people for the 10am service and from September to help with the 8am service that will be on the first Sunday of the month. It not a big commitment as you would be on duty at most once a month.

The cleaning team do an essential job in keeping the Church looking wonderful. Please can you help by taking on part of the Church?

We have a great team of flower arrangers but we would like to spread the load, would you like to use your flower arranging skills to brighten up the Church?

Communication is essential in all parts of our lives and we need someone to help with the publicity for the Church it would be helpful if you have IT skills and some knowledge of Social media. Again this is not a daily task but once or twice a month, please can you help?

We have a small team that operate the sound system and video on Sundays and we want more volunteers to spread the load. Its not as technical as it sounds and we will work alongside the new recruits to get them up to speed.

We need to create a small team to act as administrators for weddings, two people have volunteered already but we would like at least one more. Some work is needed in advance and to be there on the day of the wedding.
